UW SYSTEM WAIVER OF NON-RESIDENT TUITION

Under current law an individual does not have to enter service from Wisconsin to qualify for a waiver. The following language would require that the individual entered or reentered active duty as a resident of Wisconsin in order to qualify for the waiver. As part of the department's 10-year Veterans Trust Fund (VTF) solvency plan, this change will help to control increases in education grants. It eliminates the financial incentive for a veteran who enter service from another state to come to Wisconsin to get a tuition waiver and in the process qualify for a VTF funded education grant.

36.27 (2) (b) 4. of the statutes is amended to read:

36.27 (2) (b) 4. A person who has served on active duty under honorable conditions in the U.S. armed forces or in forces incorporated in the U.S. armed forces, except service on active duty for training purposes, who meets one of the conditions in s. 45.001 (4) (a) 1. a. to d., ~~and who is a resident for the purposes of receiving benefits under ch. 45~~ meets the residency requirement in s. 45.001 (4) (a) 2. (intro), and who was a resident of this state at the time of entry or reentry into active duty, is entitled to the exemption under par. (a).
